Dear Potential Sponsor:

On January 30th, 2010 the Millersville University Ocean Science Club (OSC) will “get our plunge on” for the athletes of the Special Olympics Maryland by taking a chilly dip into the Chesapeake Bay during the 2010 Maryland State Police Polar Bear Plunge.

I know—you’re probably getting cold just thinking about it! But the cold our team members will endure is only temporary because the positive impact this event will have on citizens living with disabilities will last a lifetime.

Last year the OSC plunge team raised over $1,600! This year we have set a fundraising goal of $2,500 but and we need your help to reach it! Although we are not asking you to bravely take the frigid plunge alongside us, we are instead asking you to make a donation to support the Special Olympics Maryland. Any amount would be appreciated—it all goes to a wonderful cause, and every little bit get the OSC plunge team closer to our goal!

In order to support the OSC plunge team, please complete the attached Sponsorship Form and make checks payable to “Special Olympics Maryland.” We ask that all materials are returned to any member of the plunge team or by mail to: MUOSC, Millersville University, SMC Box 95, 1 S. George Street, Millersville, PA 17551 by December 11th, 2009. Or, if you prefer the web, visit www.plungemd.com and click “Sponsor a Plunger.” Type in the name of the person or plunge team you wish to sponsor and, it will take you to our fundraising page. If you choose to make an online donation, we ask that you please still return the attached Sponsorship Form.

If your want to learn more about Plungapalooza 2010 or track our team progress, please visit www.plungemd.com to find out all the chilly details. Think warm thought for the plunge team as January 30th approaches. The plunge team will do our best to “Be the Bear” and make all our supporters proud!

Thank you for your support!!
